## Document Body

Great. I'm glad you got them. We are currently perfecting a draft seismic study that was prepared by Berkley labs and their third-party seismic expert. I anticipate that this report should be finalized and submitted to Solano County within the next 3-4 weeks.

Damonica,

Thank you for sending those once again. I received the files. I was also curious -- has C6 conducted the quantitative risk assessment that Solano County requested? I am interested to see the results of this study. Thank you.

No problem. I sent them to your gmail. There is a paper copy coming to you as well.

Huh, still not working -- I'm sorry about this. One more shot: would you please send the PDFs to freedman.adam@gmail.com -- thanks so much, and I'm sorry about the troubles.

Damonica,

It appears that our network is rejecting the attachments because they are ZIP files. Would it be possible to send them as PDFs? Thank you very much.

Hi Adam. Open the transmittal letter and scroll down to the attachments. The seismic study (Attach 2), noise analysis (Attach 3), and restoration estimate (Attach 5) are included in this document. Solano County's incompleteness letter (Attach 1) and the grading drawings (Attach 4) were included separately in my email below.

Damonica,

It appears that none of the attachments were delivered in the email. If possible, please re-send the attachments. Thank you very much.

Hello Ned. Attached for your review, is C6 Resources LLC's response to Solano County's December 11, 2009 letter that referenced four areas in which the above referenced permit application was deemed incomplete. You will receive five copies of the attached documents via overnight mail. In the meantime, please contact me if you have any questions or require additional information. Thanks.
